Memories
made here
will stay
forever.

REMEMBER:

- be kind
- slow down
- enjoy the little things
- another coffee?

Dear future me,
I hope you
always find your
way back to the
things that
feel like home.

EVERY END
IS A NEW
BEGINNING.

CAFÉ WHISPERS

little phrases for quiet moments

coffee first, worries later.

today is a good day
for a good day.

warm cup. soft heart.

just breathe
and take another sip.

some days call
for extra coffee.

in a world that rushes,
be the pause.

coffee is my
love language.

little moments,
lasting memories.

life happens,
coffee helps.

stay close to
what feels like home.

sippin' and solvin'
nothing today.

may your coffee be strong
and your day be kind.

the coffee's hot,
but so are you.

collect moments,
not things.

another cup,
another chapter.

every cup has
a story.

meet me where
the coffee is.

a cup of coffee
and a quiet mind.

good coffee,
good thoughts.

coffee. journal. peace.

there's beauty
in the quiet.

caffeine and
courage.

start where you are.
use what you have.

not all who wander
are lost. some are just
looking for coffee.

the best ideas
happen in coffee shops.

coffee in one hand,
dreams in the other.

take your time,
it's not a race.

thanks a latte.

espresso yourself.

a little coffee
and a lot of faith.

rainy days
and coffee ways.

coffee shop music
is my therapy.

this is my
happy place.

write it down.
make it real.

the world looks better
from behind a coffee cup.

it's a good day
to have a good day.

coffee: because
adulting is hard.

small steps every day.

find joy in the
little things.

coffee smells like
fresh possibilities.

pause. reflect.
recharge.

leave a little sparkle
wherever you go.

you can do hard things.
but first, coffee.

tomorrow is a new day
with a new cup.

one more cup
for the road.
