QUOTES & TINY TREASURES

There is beauty in ordinary days.

♡

Take time to do what makes your soul happy.

Let your heart be soft, and your days be gentle.

♡

Some days are meant for slowing down.

♡

The little things? They're usually the big things.

Collect moments, not things.

♡

Rainy days make the best memories.

♡

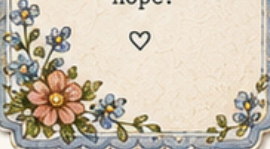

Close your eyes. Take a breath. You're doing just fine.

♡

Where flowers bloom, so does hope.

♡

Gratitude turns what we have into enough.
